Managing your bank fees

You can **save on banking cost** by making use of our cost effective **electronic banking services** (ATM, POS, Internet Banking, Mobile Banking and Email Alerts). Using an electronic service is also **less risky** than handling and transporting cash.

These services are available **24 hours** a day, seven days a week. They are designed to **assist you** in managing your finances by giving you **access to information** and transactions at times most **convenient** for you.

Additional benefits of a **Business Banking (Enterprise) Account**

Security

Handling cash is expensive and **risky**. Electronic payments should be encouraged wherever possible. If handling large amounts of cash is **unavoidable**, speak to us and we may help in managing both the risk and cost associated with using cash.

Do not allow anyone to use your **Stanbic Bank Debit card** and never reveal your **PIN** (Personal Identification Number) to anyone. If you think someone else knows your PIN, ask one of our consultants to **stop all activity** on your card and we will **replace it** immediately.

Managing your **money**

Keep the following in mind when managing your funds.

Monitor the balance on your account.

You can check your balance at any ATM or via Internet/Mobile Banking channel. Alternatively, please sign up to receive SMS & Email Alert notifications.

You can also **draw a mini-statement at any ATM machine**. This is cheaper than a counter statement in the branch.

Talk to us if you think you might **exceed** your overdraft limit or overdraw your account. We may be able to **increase** your overdraft or make one available to you.

Keeping **cost down**

- Using a **Stanbic Bank ATM** to make a cash withdrawal is cheaper than doing it over the counter in a branch.
- Using **internet banking** to initiate transfers is cheaper than doing it over the counter in a branch.
- Always have enough money in your account to cover your **standing and debit orders**. You may have to pay a fee if there is not enough money in your account, and transactions could be unpaid.
- **Ensure** that you have enough money to meet regular payments like loan repayments and debit orders.
- Keep your **Stanbic Bank card** in a safe place to avoid paying for replacements.
