Education Plan

underwritten by Metropolitan Life

A plan to help you build up funds towards your child or wards education costs and expenses at a future date.

Key Features

The insurance portion ensures that your target amount is paid immediately for your child's education upon your death or permanent disablement.

Target amounts range from GHS3,000 up to GHS200,000, over any period from 3yrs to 18 yrs.

Insurance covers target amounts up to GHS200,000 but you can build up funds beyond that.

Name up to 6 children on one plan, with possibility of multiple plans.

Minimum monthly contribution to your plan is GHS 25 monthly.

You can surrender the policy after 3 years but before the maturity period without penalties.

After the first year of contributions, you can make a partial withdrawal of up to 50% of the fund balance, once in a year.
